

COLLABORATIONS

The canvas « Keep Connected » on BFM Business in the show « La gnaque de la semaine » on 02/03/2018 with the company WAVETEL .

Created in 2002 and with sustained growth in France and abroad, WAVETEL is now a recognized expert in metrology applied to computer and telecom networks and cybersecurity. In 2017, the company called on the artist Yann Sciberras to design its new advertising medium. The artist creates the canvas "KEEP CONNECTED" and creates different patches for the different advertising media.
